

# 2017 HEARTLAND POLICE CANINE TRAINING & TRIALS

Members of the National Police Canine Association's North Central Region would like to invite family, friends, and businesses to support us at our 5<sup>th</sup> Annual Heartland Police Canine Competition. This will be a rare chance to see your local canine units compete against each other in a stress obedience patrol course. It will give you a chance to observe your local canines in action as they jump over high barricades and through windows to take down a violent attacker.

We will start at **10:00 AM** so come on out! Bring some \$ (*cash or credit*) as we will be selling raffle tickets for a chance to win a **KC CHIEFS AUTOGRAPHED FOOTBALL** along with other great items! All donations go back into our regional training fund for next year's competition and training. There will be **FREE** lunch provided for attendees with brats, hot dogs, chips & water. **CHASE** the police dog from the popular show **PAW PATROL** will be out there from 11-1. Hope to see you out there!
